

REHEARSAL SPACE (Residency)

Studio ProArte

We are a cultural hub with the vision and commitment to impulse the creative and professional development of the cultural and dance scene in Freiburg. Our passion is to link a large variety of dance styles and artistic disciplines with our community and broader audiences. Our vision is to continue being a ground-breaking centre for cultural education and events.

Our Space

Studio ProArte invests in local and non-local dance projects, by offering a beautiful bright, white linoleum floor room, up to 280 m², equipped with professional audio and professional lights. In addition, we have changing rooms, toilets, and cafeteria. Our successful applicants are granted either with 1000 euros discount on the Room fees or 100% discount.

This space welcomes any size dance projects, from research and development to larger production rehearsals, from single independent artists to performance companies. We offer 7 hours straight access, for five consecutive working days. We are open to the possibility of the artists making use of the space during the connected weekends - when available.

Our offer:

There is a limited number of spaces we can award. This space is offered as follows:

- 3 residencies – 2 weeks long- with a 100% discount on the rent fees to excellent applications.
- 9 residencies - 2 weeks long with a 75% discount to outstanding applications. Leaving 300 euros per week to be paid by the artist.

Note: Access to our three Rehearsal and Production rooms is also available by hiring the studios either with reduced rates, available for independent artists/companies with no funding, or standard price or commercial rate hires.

Give-Back Program:

As part of our agreement with the cultural organization that is sponsoring this program, we invite all artists who are offered the residency, to choose one Give-Back event, **per awarded week**, to offer to the community.

The events to choose from are:

- Sharing of Work in Progress (Showing) + Q and A with audience.
- Open Sharing of Practice (Open Rehearsal) + Q and A with audience.
- Community Workshops from beginners to advance levels.
